The yearbook staff proudly dedicates the 1963 MARINER to our "Music Man". Since coming to our school in 1956, he has built our band into an organization which proudly represents Ferguson High School wherever it goes. His contributions have been quiet ones; he gives advice, he assists the drama department with its productions; he offers his assistance to band members during his "off-hours". Therefore, we, the 1963 annual staff, dedicate the MARINER to Mr. Donald Bruno.

CATION . . .

A man who has done so much in inspiring and promoting school spirit during our first years as a high school deserves special mention in this edition of THE MARINER. We are deeply grateful for the teaching he has done, the inspiration he has kindled, and the spirit he has helped to instill in both the student body and the "Mariner" teams. We, the 1963 annual staff, in grateful appreciation for his memorable contributions to Ferguson High, dedicate the 1963 MARINER to "Coach" Wayne Begor.

# FOREWORD

It is with great pleasure that we, the MARINER Staff, present the following pages of your memory book. We hope that today and in years to come you will turn these pages and recall with pleasure the true spirit of Ferguson High. Our attempt has been to record that spirit as it really is--in work, in play, in friendship. Turn the pages now and listen for the heartbeat that is Ferguson!

## SUPERINTENDENT

Dr. R. Q. Nelson

## SCHOOL BOARD

SEATED: Mr. Gordan Pullen, Mr. Robert M. Saunders, Mr. J. N. Dozier, Chairman; Mr. Richard Newman, Dr. Waldo Scott. STANDING: Mr. Ward R. Scull, Dr. William T. Watkins.

## PRINCIPAL

MR. THOMAS E. BAINES  
Principal's Message

During the current school year the administration and faculty have worked diligently to provide a program of work to challenge the natural abilities of all the students. New courses have been added and the content in others has been improved to provide encouragement and stimulation to those who seek enrichment in areas of special interest.

Many students have availed themselves of the opportunities afforded at Ferguson High School and they will find when they transfer to other schools or graduate and go to college that very little adjustment is required to meet the demands of their new situations. Those who graduate from high school and take their places in the business world will quickly realize the value of worthwhile preparation. The administration and faculty will continue to strive toward raising the standards of our school and improving the educational opportunities of the youth of this community.

We are looking forward to our first commencement. To some this program will mean graduation; to many others it will mean a goal toward which an educational program leads. We heartily congratulate you, seniors, and wish for you the best in health, happiness and prosperity. Undergraduates, we challenge you to intensify your desire for a sound educational background so that you may compete successfully in our demanding world. We hope that the years spent in this school have helped to bring each of you to the realization that education is a never ending part of life.

"Smooth sailing and full steam ahead," has been said to many a mariner as he embarked on a new journey. This ancient blessing expresses the sentiment I feel as you leave the halls of Ferguson High School to continue your journey through life. You will face challenges unique to the youth of all generations but if you will remember and uphold the ideals and principles for which the school stands you will be guided and prepared to meet those challenges. The manner in which you master the challenges will provide you with opportunities to honor your school and make a worthy contribution to the improvement of our world.

Mrs. Mary L. Passage

## SENIOR CLASS HISTORY

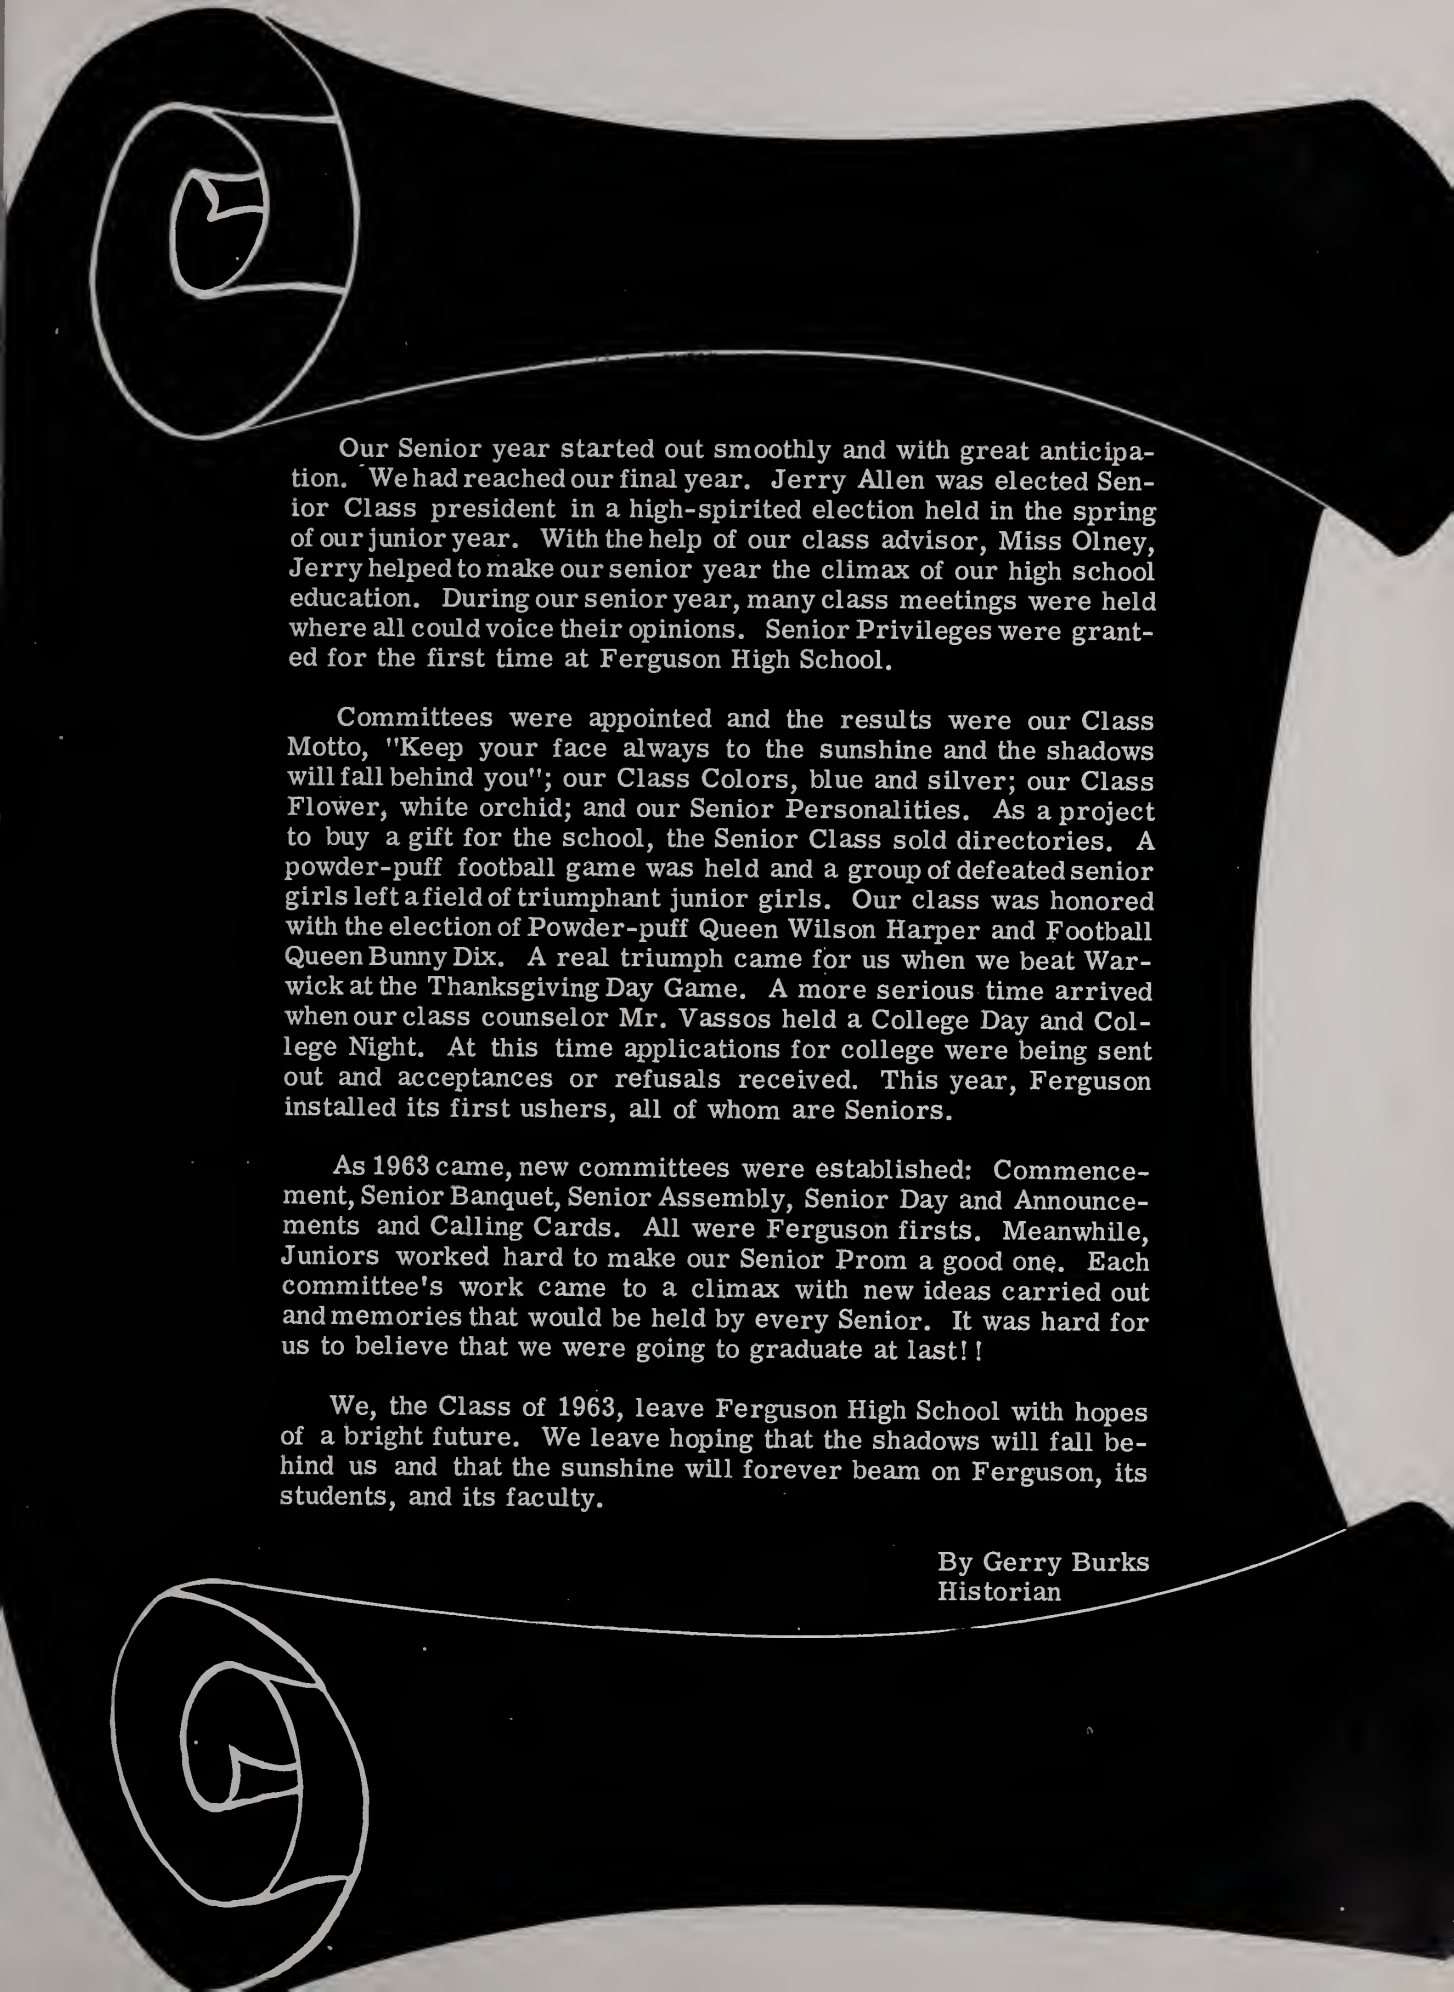

We, the eighth grade class of 1958, were quite proud as we took our first steps toward Warwick Junior High School. Here we were going to a junior high away from all those "little kids" in elementary school! It seemed, then, like we would never forget the junior high dances, the different school rules, the football and basketball games, the assemblies, and those elections of our first junior high days.

The ninth grade brought Dick Allerton into office as S.C.A. President. We were the upper classmen that year. Everyone remembers the funny things we used to do when we were in that awkward stage of life, and we all especially remember the highly ranked football and basketball teams on which many of our classmates played.

On we grew, looking forward to the year when we would be at "the high school" with the big kids.

Our sophomore year was full of fun. We looked up to those big Warwick High Seniors just waiting for the day when we could be just as grown-up as they were. Dick Allerton, sophomore class president, could be found among his sophomore classmates at "high school" games, watching "high school" elections, and doing "high school" homework.

Our junior year brought many changes. We were moved to a new high school that held many old "junior high" memories. At first, perhaps, there was a little regret; but as time went on, all juniors could be found taking a part in Ferguson High School activities, and setting many precedents for other classes to follow: We, the upperclassmen again, started our year off well with the election of Harvey Huffstetler as class president. We began the long road toward unifying ourselves after the loss of many good friends. We ordered our class rings that year and looked forward to their arrival that spring. We held our own Junior Prom with the proceeds from the sale of basketball buttons. The theme of our prom-"Anchors Away". All in all, it was a year of building not only on the school grounds but in the junior class as well.

Our Senior year started out smoothly and with great anticipation. We had reached our final year. Jerry Allen was elected Senior Class president in a high-spirited election held in the spring of our junior year. With the help of our class advisor, Miss Olney, Jerry helped to make our senior year the climax of our high school education. During our senior year, many class meetings were held where all could voice their opinions. Senior Privileges were granted for the first time at Ferguson High School.

Committees were appointed and the results were our Class Motto, "Keep your face always to the sunshine and the shadows will fall behind you"; our Class Colors, blue and silver; our Class Flower, white orchid; and our Senior Personalities. As a project to buy a gift for the school, the Senior Class sold directories. A powder-puff football game was held and a group of defeated senior girls left a field of triumphant junior girls. Our class was honored with the election of Powder-puff Queen Wilson Harper and Football Queen Bunny Dix. A real triumph came for us when we beat Warwick at the Thanksgiving Day Game. A more serious time arrived when our class counselor Mr. Vassos held a College Day and College Night. At this time applications for college were being sent out and acceptances or refusals received. This year, Ferguson installed its first ushers, all of whom are Seniors.

As 1963 came, new committees were established: Commencement, Senior Banquet, Senior Assembly, Senior Day and Announcements and Calling Cards. All were Ferguson firsts. Meanwhile, Juniors worked hard to make our Senior Prom a good one. Each committee's work came to a climax with new ideas carried out and memories that would be held by every Senior. It was hard for us to believe that we were going to graduate at last!!

We, the Class of 1963, leave Ferguson High School with hopes of a bright future. We leave hoping that the shadows will fall behind us and that the sunshine will forever beam on Ferguson, its students, and its faculty.

By Gerry Burks  
Historian

## CLASS MOTTO . . .

Keep your face always toward the sunshine and the  
shadows will fall behind you.

Last fall an announcement appeared to ask all interested to try out for the school play "The Egg and I". Many appeared for the auditions and Mrs. Dresser selected the cast for the play. The parts were assigned and many weeks of hard work followed. The numerous people involved with the production spent countless hours before and after school and on Saturdays. The results were obvious and on opening night an excellent performance was given.

Thad carries in Anne's luggage.

Zonona Horton, Fred Suttle, Koleen DeHart, Harry New and Madoline Long discuss a scene.

## "THE EGG AND I"

The entire cast of "The Egg and I".

This is What happens to Farmers at Ferguson!

Part of the Key Club pep assembly.

The pictures shown on this page are dedicated to the school spirit that has been becoming an ever increasing part of Ferguson. The many ways in which spirit has been shown this year has done much in building our school. The credit goes not only to those students pictured here, but to every member of Ferguson.

Members of the Pep Club make victory posters to inspire the Mariners on to victory.

Ferguson's Girls' hockey team shatters Warwick's defense.

ACADEMIES

"Miss Fitchett, I think my machine has the wrong answer!"

"Mrs. Smidt, here's an English word in my French book!"

In addition to our native tongue, we have an opportunity to study French, Spanish, German, and Latin. Most of the students in these classes are either bound for college or for another country!

"That Odysseus really got around, didn't he?"

"But that's where it was yesterday, Mr. Prunty!"

"I know these columns from one end to the other, Mrs. Anthony!"

Ferguson has one of the most outstanding Social Studies departments in our school system. We are required to study U.S. history our junior year and government our senior year. In addition, world geography, world history and sociology are offered. We are fortunate in having this fine department with well-qualified teachers who instill in students an appreciation for our heritage.

"Did he really 'catch' you several years ago, Mrs. Williams?"

"And this is how I arrived at my answer, Mr. Leonard."

The Ferguson Mathematics Department is an excellent one. All students are required to take a math course before they finish their high school career, and there is a course for every student. Ferguson's Math Department offers a wide variety of courses laying a firm foundation for college as well as everyday living.

*Y.M.*

"This is how my dad used to do it, Mrs. Mothena."

"Mrs. Taback, who makes up the rules every year?"

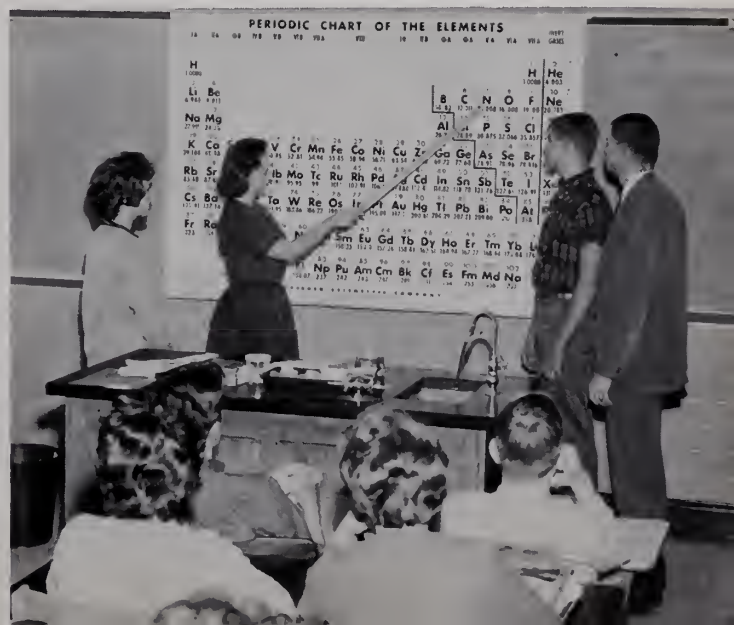

"I think something is wrong with my microscope, Mr. Fletcher."

We have worked hard in our Science Department this year. By utilizing our modern labs and new instruments we have ably fitted ourselves to face an era of scientific advancement and exploration.

"Yes, that looks like the one in the picture in the lab manual."

"Mr. Freeman, please, this is my third guess!"

"I think it's all in whether or not you put your little finger on your brush."

"It looks so simple when you do it, Miss Bieri!"

Through the help of our Art Department, we have turned out many interesting paintings, clay figures, and woodworks. We find that art is very helpful in developing and carrying out one's imagination.

"Mr. Woody, it looks just like her!"

"All right, who's squeaking?"

"Miss Bayne, aren't you glad my voice finally changed?"

Much appreciation is in store for our highly trained Music Department. Our musicians work hard to entertain the students and provide that all-important school spirit at Ferguson.

"Just think, Mr. Bruno, I can make the loudest noise in school!"

"I didn't know getting 'pretty' was such a tedious task."

With the able assistance of our drama coach, we have learned much in the fields of acting and speaking-both on-stage and off-stage.

"Mrs. Dresser, I'm not certain whether you 'do' or you 'don't'!"

"Say, acting can be great fun!"

"They do tell us to plan ahead, don't they?"

Our well-equipped kitchens and our many modern sewing machines make our Home Economics Department a fine one indeed. Girls, and even an occasional boy, study the many phases of homemaking.

"Miss Barrow, do you think I could ever be a real model?"

"Oh, if kitchen work were just so simple!"

"I pressed that one, Mrs. Morrison, and the machine burped!"

"Mrs. Gaw, my fingers just won't think that fast!"

This year we found that several new courses had been added to our Business Department. Many of the students taking these courses are being prepared for jobs such as secretaries, clerks, and bookkeepers.

"I think I should have been born with a mechanical mind, Mrs. Wilson."

"I'm sorry, Mr. Hughes, I thought it was plugged in!"

"Yes, Mr. Keesecker, I think I see the point now."

We have found Industrial Arts to be quite important in preparing for carpentry or engineering. If we put as much effort as possible into our courses, we will gain much helpful experience.

"I declare, Mr. Lance, you get smarter every day!"

"Mrs. Gregory, I think I have a bone in my leg."

Physical Education, we have found, is a very essential course. It helps to develop a sportsman like attitude and a healthy body and provides students with a daily "outlet" for their frustrations!

"But, Coach, look how much of me there is!"

## SENIOR PERSONALITIES

This year, for the first time in the history of Ferguson High, Senior Personalities were chosen. After a great deal of discussion, Seniors voted for the twelve classmates best representing the "Class of '63."

The pictures were taken at the Mariners' Museum which provided a scenic and appropriate background for the Senior Mariners.

# PERSONALITIES

# FOOTBALL

## FOOTBALL QUEEN 1962

On Friday afternoon, November 9, 1962, we all filed into the Ferguson High School auditorium chanting "Beat York". A skit was presented by the SCA depicting the doom of the Falcons. Later the 1962 Football Court was presented. It consisted of four seniors, three juniors, two sophomores, one freshmen, and one eighth grader. All were escorted by members of the football squad.

Due to bad weather the game was postponed until two o'clock Saturday afternoon. At half-time the band exhibited some fancy marching which was followed by the presentation of the Football Court. After the Court had assembled at midfield, Mr. Thomas Baines, our principal, crowned Miss Bunny Dix our 1962 Football Queen. The Queen then reigned over the Football Dance the next evening, climaxing a week of school-spirited fun.

Casey's Coffin Corporation

Long live the  
Queen!

Eyes right!

# COURT, 1962

## SENIOR FOOTBALL COURT

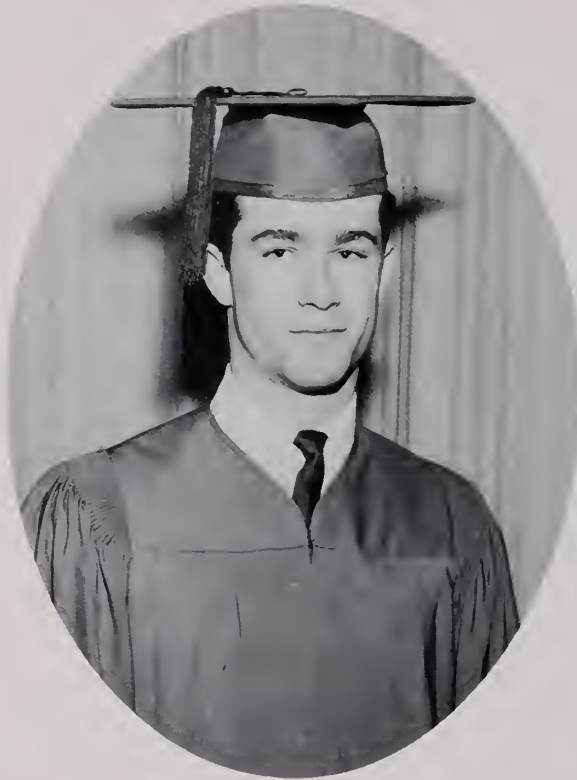

(LEFT TO RIGHT) Gerry Burks, Sue Rezarch, Bunny Dix, and Carolyn Owens.

## UNDERCLASSMEN FOOTBALL COURT

(LEFT TO RIGHT) Travis Taylor, Karen Krause, Sandy Smith, Vicki Ballou, Dorothy Correll, Martha Smith, Carol Mitchell.

# OUTSTANDING

RICHARD ALLERTON, JR.

Dick might well be called "Mr. Versatility." For the past two years he has served as president of the Ferguson S.C.A. He has been active in S.C.A. work throughout his high school career and several times has been a delegate to both the State and District S.C.A. Conventions. For three years Dick has been a most enthusiastic member of the Key Club. During his junior year he held the office of vice president and was presented the Outstanding Key Club Award. As a sophomore Dick headed his class as president. His many activities have not interfered with his studies. He has been a member of the National Honor Society for the past two years. In his spare time our "Mr. Versatility" finds time to play tennis and basketball. Dick's many-sided personality should fit him well to enter the profession of law, his chosen field of study.

## LEADERSHIP — SCHO

GERALDINE MARTHA BURKS

Gerry has been interested in music for several years. This year she is president of the A Cappella Choir. Last year she was vice president of the Mixed Chorus and was a member of the Girls' Chorus. For the second consecutive year, she has been selected as a member of the All-State Chorus. Gerry's interests are not all centered around music. She has been an active member of the Spanish Club for three years and in her junior year served as its president. This year she is one of Ferguson's most vivacious cheerleaders. In the fall Gerry was honored with the position of senior attendant in the Football Court. She spends much of her time in S.C.A. work and is historian of the Senior Class. Gerry's plans are to enter the field of teaching.

# SENIORS

## SANDRA KAY SHEPPARD

Sandra is an active member and enthusiastic officer of the F.H.A. In her sophomore year she was elected secretary of the Peninsula Federation. In her junior year she was president of the Ferguson Chapter and vice president of the Peninsula Federation. This year she is president of both the Peninsula Federation and the Virginia Association of the F.H.A. For the past two years this outstanding member of the Senior Class has been secretary of the National Honor Society. In her junior year Sandra was elected parliamentarian of her class. This year she is an S.C.A. committee chairman, librarian of the F.T.A. and a dependable member of the Senior Ushers. Sandra plans to enter the teaching profession.

## SHIP — SERVICE

## WILLIAM HARVEY HUFFSTETLER

During his high school years, band has commanded much of Harvey's time and interest. He was an active band member until his busy senior year. Harvey has proved to be a conscientious Senior Usher. He has been quite active in the Key Club, and has traveled to Philadelphia, Pennsylvania, and Long Beach, California, to represent his club at international conventions. For the past two years Harvey has served as president of the Key Club. Recognizing his leadership ability, his Junior Class elected Harvey as its president. He has also been active in S.C.A. activities and since his sophomore year has been called upon to serve this group in many capacities. This year he was selected as a delegate to both the S.C.A. District Convention and the Southern Conference Convention. Harvey plans to study in the field of medicine.

# POWDER PUFF GAME

Practice makes perfect!

For many weeks previous to November 31, 1962, one could see an odd sight on the practice fields of Ferguson High . . . girls playing football. And hard they practiced too, in order to get ready for the first Powder-Puff Football Game ever held at Ferguson.

On the afternoon of the Powder-Puff clash the two opposing teams took to the field, wearing the blue and white varsity uniforms. They were cheered by boys dressed as girl cheerleaders.

Halftime found the score tied and everyone enjoyed seeing a band perform, led by boys dressed as majorettes. A Football Court, composed of boys, was driven onto the field in convertibles. "Miss" Wilson Harper, a senior, was crowned "queen" of the Powder-Puff game.

At the end of the game, hastened by darkness, the juniors won by a score of 13-6. Both teams played a hard and spirited game and both agreed that "practice always makes perfect!"

## S.C.A. EXECUTIVE COUNCIL

The varsity football squad did a fine job this year considering this was Ferguson's first year in Group 1-A football. Ten seniors gave the team the needed punch to win three district games in addition to terrifying district leader Newport News and finishing its season in second place on the peninsula.

The Mariner coaches, l-r: Wayne Begor; Head Coach; Bill Owenby, Bill Cox, William Clark.

## WRESTLING TEAM

**JUNIOR VARSITY:** SEATED: John Jachnig, Peter Nickerson, Randy Oliver. **ROW 2:** Charles Fitchett, Wayne Tysinger, Rudi Hamvia, David Cottrell, David Garland, Steve Jayne, John O'Hara, Mark Huges, Roy McPherson, Jim Cree, Bill Moss. **STANDING: VARSITY:** Wayne Begor, Coach; Bobby Farino, Danny Smith, Ben Betts, Freddy Hitt, Herb Soles, Larry Perok, Bennie Ellis, Carson Wiedeman, Lee Hauser, Dwight Carter, Buddy Godfrey, Roy Carrithers.

The 1963 Wrestling Team had one of the best seasons of any team this year. The Mariner Matmen won five, lost six and tied Warwick in a fine match with the Farmers. In the Eastern District Wrestling Tournament, Ferguson finished seventh; a fine showing for a school with only two years experience. Five grapplers placed in the top six of their respective weight classes, thus making them eligible to represent Ferguson in the State Wrestling Tournament held in Arlington, Virginia.

With only three seniors graduating the wrestling team has much to look forward to in the coming season.

## VARSITY CHEERLEADERS

"Hot Water---Cold Water---Warm Water---Steam,  
All for Ferguson stand up and SCREAM!!!

The above is just one of the many lively cheers led by the 1962-63 Ferguson Cheerleaders. From the many gyms and fields we traveled to during the year the spirit of our students could be heard with our cheers. Our nine varsity cheerleaders and ten J.V. cheerleaders did much in helping our teams to win many victories during the year.

# The 1963 Mariner Staff

This is "THE MARINER!" Putting together a yearbook is a brain-racking task, but the finished product brings a great deal of satisfaction to those who have helped to assemble it. Besides daily meetings during fourth period, the staff spent many hours selling ads, taking snapshots, and organizing students for group pictures.

The "Mariner" made several strides in the way of new ideas, as can be seen by the blue and white cover honoring our first graduating class, more sections and pages, and a dual dedication. This is your "history book" of Ferguson High School, 1962-63. Treasure it with fond memories!

Mrs. Vivien Neale

"Always working." This is only a small word of appreciation given to Mrs. Vivien Neale by the yearbook staff. As our new advisor, Mrs. Neale has well accepted the responsibility that goes with laying out THE MARINER. Each of us wishes to express our appreciation for her assistance, guidance, thought and patience.

LEFT TO RIGHT: Donna Crenshaw, Sue Rezarch, Gary Duncan, Carson Wiedeman

"Experience" is the key word to the success of a yearbook. Carson Wiedeman, editor-in-chief, was editor of his high school newspaper in Dayton, Ohio. Sue Rezarch, assistant editor, is new to the yearbook trade but has worked faithfully to give Ferguson students a better annual. Gary Duncan, managing editor and business manager, was the first editor of THE MARINER. Donna Crenshaw, assistant business manager and advertising editor, was last year's picture editor. Your editors hope their work meets with your approval.

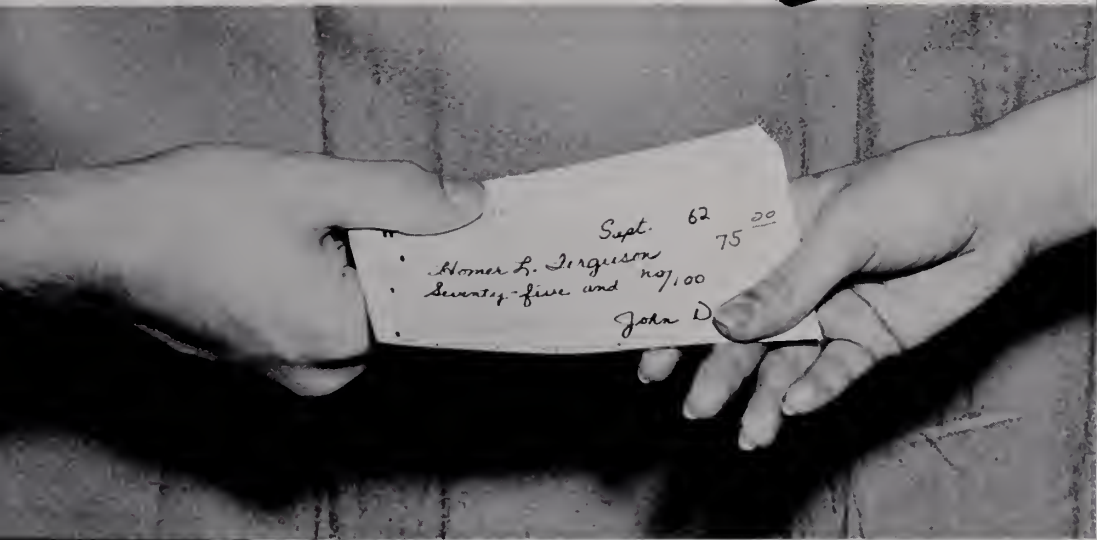

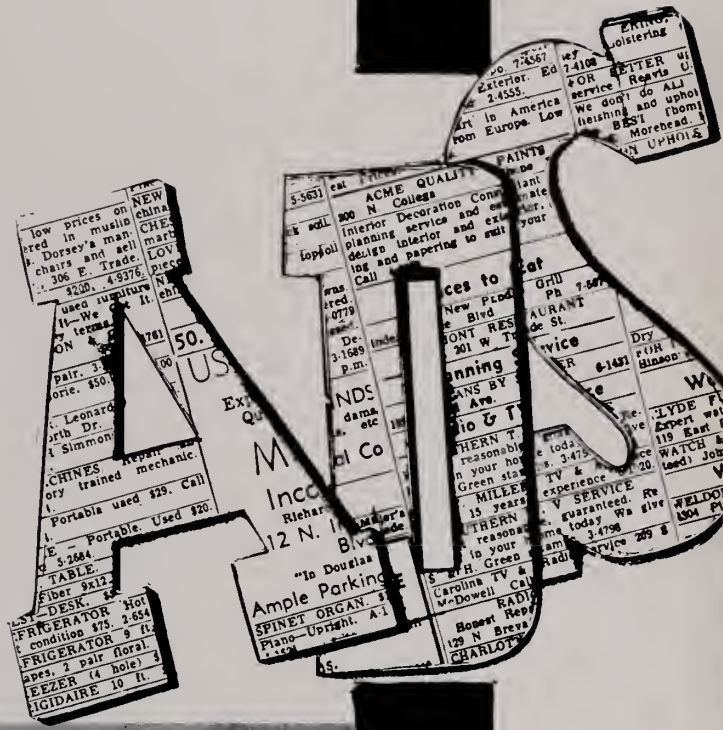

The staff searched constantly for new ideas and sought originality in an effort to improve the 1963 MARINER.

Ronnie, Pat, Bobby, and Kathy sort pictures and prepare art work for the yearbook.

Identification of individual pictures was the biggest headache the staff faced.

Norma Nelson

To the sweetest little boy  
I know and I'll never for-  
get. I'll remember all the fun  
we had in room 214 5th period  
Math class I enjoyed it and  
I wish you lots of fun &  
enjoyment in the future.

Love you always,  
Joan Griffith

\* you ask me to sign  
your autograph But I'd  
rather have your photograph  
So let me know by telegraph  
How you want your paragraph  
\* \* \* \*

Some blank verses from  
a blank mind. Love  
Joan

Kerry,

To a boy in one of my classes. Good Luck in the future and be Good!! Don't flirt with all the girls in your freshman class. I really believe you could be a real nice boy if you tried.

your Friend Always  
Alice O'Hegor  
'63

To a boy who talks too much.

I think I would like you more if you won't play with ~~Alice's~~ legs so much. You are improving Best of luck in the future.

Best Wishes  
Brenda Allnut

Lots of luck to a Cool Kid  
from a cooler one

From Chris  
Layton

friend of me & my  
friend so I  
always  
nice boy  
I am

The best  
of luck  
to a nice kid  
you need it  
Barbara  
Happelbottom

Best wishes to a  
real cool guy. Lots  
of luck in the  
years to come.

Lots of Luck  
Uicky Livingston

Best wishes and good luck  
to Kenny. a fine boy and  
a good student.  
George a Backman
